Mountain Christian School expects the families of those students attending to make every effort to keep tuition payments current. If difficulties arise, steps will be taken to assist the family in need by any available means, including additional scholarship or tuition assistance help. **Although MCS never desires to dismiss or refuse entrance to a child based on financial resources, it does expect that families will honor their financial commitments.**

Monthly tuition payments must be received by the 1st of each month. If the 1st falls on a non-school day, payment is due the next school day. Any tuition paid after the 10th of each month will result in a **\$5.00 per day late charge with a maximum of \$50.00**. If the account is not current by the end of the month, your child will not be allowed to attend MCS until tuition is paid or other arrangements have been made.
